## CA4 - Californian White Wine

Produced and Bottled by Locations Wine

The inaugural release of Locations California White stays true to the philosophy and heart of our international winemaking project. Simple. Complex. Fun. We aim to showcase the best of each Location we work with. Successfully having crafted a red wine that highlights the best of the golden state, we went back to our growers in Napa, Sonoma and Mendocino and procured Chardonnay, Sauvignon Blanc, Viognier, and Roussanne that we had been intrigued by in our travels. By sourcing from these three premier regions, using a combination of oak barrel and stainless steel fermentations, and blending the components just so, we were able to craft a white wine of excellent quality and character, which perfectly reflects the diversity and potential of California.

### Winemakers Notes

Immediately, a nose of lemon zest, citrus, and a touch of honey lead to a bright and crisp entry complemented by an encompassing nectar mouth feel. A ripe stone fruit mid palate of apricots and peaches combine with an evolving crème custard coating. It finishes with a subtle minerality and a lychee texture, making this an ideal summertime wine.

“As of now, Dave Phinney might be my “value winemaker of the year” candidate. If there are better wines for under \$20 a bottle in the world today, please share that information with the Wine Advocate.”
