CORSE - Corsican White Wine

Produced and Bottled by Locations Wine

Following the inaugural release of Corse, we revisited the fabled isle to produce a second offering. A discrete place with its own distinct personality, our intent was to showcase Vermentino in its purest form while remaining true to our Locations concept. Arguably one of the most underrated wine regions in the world, we sourced vineyards from steep, hillside slopes comprised of granite and red clay soils.

Adjacent, but protected from Mediterranean Sea spray, this unique site allows for the ideal combination of hot days and cool nights. Benefitting from both maritime and mountain influences, we were able to capture the spirit of Corsica in the bottle and label which is a shepard's knife commonly found around the island.

Winemakers Notes

Golden straw in color, the wine boasts fresh and engaging aromas of honeysuckle, lime zest, and orange blossom. Bright and lively upon entry, it leads to a textural mélange of Meyer lemon, almond, pear, and mountain herbs. There is a hint of wet stone that juxtaposes nicely with an ever-present vein of acidity that provides for a clean finish.

"As of now, Dave Phinney might be my "value winemaker of the year" candidate. If there are better wines for under \$20 a bottle in the world today, please share that information with the Wine Advocate." -Robert Parker
