E4 - Spanish Red Wine

Produced and Bottled by Locations Wine

The interplay of provenance, artistry, freedom, and creativity is what inspires us at Locations. With the Iberian Peninsula serving as a backdrop, this fertile ground allowed us to incorporate these attributes into the fourth release of our Spanish offering. Much like generations of craftsmen before us, we were intent to capture the nobility of Spain through its geographic diversity. Fruit with Mediterranean and Continental influences was sourced from five regions in particular: Priorat, Jumilla, Toro, Rioja, and Ribera del Duero. Old vines, low yields, and a palate attuned to excellence, work in harmony and enable us to reach our goal of producing a great wine, from the best locations in the world.

Accolades

“Dave Phinney - is one of the more creative young minds in all of the world’s winedom. He is doing things that are far beyond his modest age and deserves to be commended for the brilliant individuality/singularity of all of his efforts.”

-Robert Parker

“As of now, Dave Phinney might be my “value winemaker of the year” candidate. If there are better wines for under \$20 a bottle in the world today, please share that information with the Wine Advocate.”
