F4 - French Red Wine

Produced and Bottled by Locations Wine

Seeking a true representation and sense of place is what inspires us at Locations. Much of our time is spent in the vineyard, analyzing each block and making adjustments to farming based on the vines needs. Attention to detail is fundamental in our quest to make the finest blend possible. For the fourth release of “F”, we have again incorporated some of the best regions in France, drawing upon our network of growers from Rhone, Roussillon, and Bordeaux. Our commitment to quality and our hands-on approach has enabled us to secure fruit from some exceptional old vine blocks located in revered sub-appellations of this great country. With some history of production now under our belt, we’ve had time to nurture our relationships with our growers while introducing new sites which we’re excited about. It is our constant quest to be better each year that drives us to over deliver, which we believe we have achieved with this wine.

Accolades

“Dave Phinney - is one of the more creative young minds in all of the world’s winedom. He is doing things that are far beyond his modest age and deserves to be commended for the brilliant individuality/singularity of all of his efforts.”

-Robert Parker

“As of now, Dave Phinney might be my “value winemaker of the year” candidate. If there are better wines for under \$20 a bottle in the world today, please share that information with the Wine Advocate.”
