F5 Rosé - French Rosé Wine

Produced and Bottled by Locations Wine

We have sourced the fruit for our second release of French Rosé from a vineyard in the south of France, opting, this time, to produce a rosé from 100% Grenache. Sourced from vineyard blocks that cling to granite and schist slopes; these 50-year-old dry farmed vines produce very low yields of perfectly concentrated fruit. We are continually striving to maintain traditions while using our personal experiences to improve our craft each vintage. Fermented at very cool temperatures in stainless steel tanks; this wine displays both a delicacy and vibrancy characteristic to the maritime influences of the Medateranian sea. A perfect wine to enjoy dining alfresco on a warm summer evening.

Winemakers Notes

In the glass, an appearance of Himalayan salt opens with a nose of gardenias and early harvested stone fruit. A fresh entry leads to a honeysuckle mousse with hints of peaches and cantaloupe encompassing a dry minerality. The finish is memorable with a slight brininess reminiscent of the Himalayan sea salt hue.

Blend

100% Grenache

Maturation

Stainless steel fermented, with minimal aging time.

Alc/Vol

14.5%

UPC

8-51645-00418-8

Accolades

“Dave Phinney - is one of the more creative young minds in all of the world’s winedom. He is doing things that are far beyond his modest age and deserves to be commended for the brilliant individuality/singularity of all of his efforts.”

-Robert Parker

“As of now, Dave Phinney might be my “value winemaker of the year” candidate. If there are better wines for under \$20 a bottle in the world today, please share that information with the Wine Advocate.”

-Robert Parker
