TX4 - Texas Red Wine

Produced and Bottled by Locations Wine

With the overwhelming success of the inaugural release, we have again partnered with McPherson Cellars, one of the oldest winemaking families in Texas, to bring you the second release of this exciting blend. Again, we have chosen to showcase the Rhône varieties Texas has been making a name for as of late. Lost Draw Vineyards, located within the Texas High Plains AVA, is a premier site in Texas with red clay and sandy soils, planted to the warm-climate varieties of France and Spain. Texas may be relatively new to America's longstanding winemaking history, but the quality of farming and fruit from this vineyard promise quality examples of Texas terroir for years to come.

Accolades

“Dave Phinney - is one of the more creative young minds in all of the world's winedom. He is doing things that are far beyond his modest age and deserves to be commended for the brilliant individuality/singularity of all of his efforts.”

-Robert Parker

“As of now, Dave Phinney might be my “value winemaker of the year” candidate. If there are better wines for under \$20 a bottle in the world today, please share that information with the Wine Advocate.”
